**The Gospel through Film** - Invite your family and friends to join us on Sunday, August 20 at 10 am for our worship service. During the message that day, we will watch an award winning short film called "Most" which Christianity Today has called "life changing".

The film portrays the love of a father for his son coming at odds with his compassion for other people. It is a powerful re-telling of the gospel through a modern parable. Because the film deals with some mature subject matter, it is recommended that viewers 12 and up watch the film.
