Case #71617A

Investigate the Bible:

God gave to Moses 10 Commandments:

1. What is the third commandment?
2. What is the fifth commandment?
3. What is the eighth commandment?
4. In the 10 Commandments, how many of them deal with our relationship with God and how many of them deal with our relationship with people?

Case #71617B

This is "Clue" from our Secret Service Dog Department. But he is MIA (missing in action). Decipher Clue's clues to find out where he's hiding in our church.

John 10:11

i ma het doo**G**

What is the secret message? And if you collect all the capital letters, where is Clue hiding?
