*Come ... share in God's love*

**The Gospel through Film** – Today we will be viewing the award winning short film called "Most" which Christianity Today has called "life changing". The film portrays the love of a father for his son coming at odds with his compassion for other people. It is a powerful re-telling of the gospel through a modern parable. Because the film deals with some mature subject matter, it is recommended that viewers 12 and up watch the film.
