

WELCOME TO KNOX CHURCH!

If you are a visitor and joining our church today, we invite you to fill in a blue card, found at the end of each pew to introduce yourself to us.

For parents with kids...

Children up to and including 3 years of age are cared for in the nursery in the upper room.

Caregivers: Janice and Karen

Children 3 years of age & toilet-trained, up to and including the youth (grades 6 to high school) may go downstairs to church school following the Children's Time

Guest Preacher – We welcome back Rev. John Fair as our guest preacher and worship leader today. Rev. Phil and his family are away on vacation but will be back next Sunday, January 14th.

Annual General Meeting – Our annual congregational meeting will be on Sunday, February 25 after the worship service. Our annual meeting is an important time to discuss our vision and the various ministries of the church. There will be a “finger-food” lunch provided to give us the energy for a robust congregational meeting. Please join us as we discuss the work of the Lord as seen through Knox.

Coffee Hour - after our Sunday service, is an opportunity for fellowship before another busy work week begins and for welcoming newcomers and visitors to Knox. If you are interested in hosting a Coffee Hour, please see the sign-up sheet in the narthex. Baking is not necessary and if needed - help and instructions will be provided. Why not recruit a couple of friends to assist! If you have any questions, please see or call Darlene Price

Thank you for volunteering.

Ushers:	Ruth Davidson and Kim Pratt
Offering counters:	Martin Luce and Nancy Stoodley
Coffee Hour:	Ellen Konrad

Order of Worship

The Gathering of the Faithful

January 7 – New Ways to Nourish Families

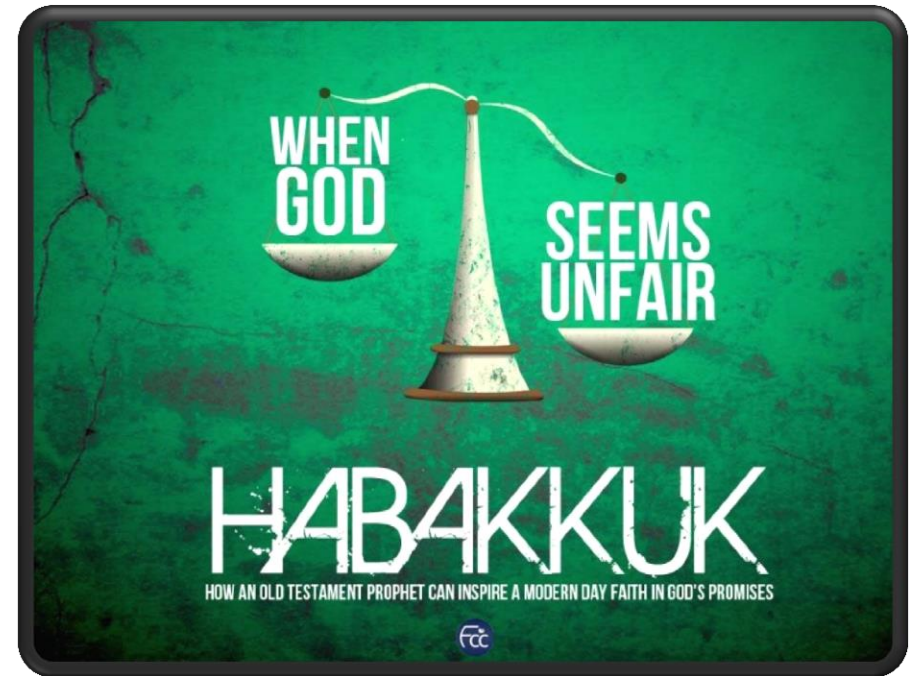

Who better to learn new farming methods from than a farmer in your community? Through a Presbyterian World Service & Development-supported farmer-to-farmer agroecology project in Malawi, farmers selected for training are able to share their agricultural knowledge with other families in their village. Techniques like composting and intercropping are helping women and men transform plots of land into thriving sources of nourishment. Since learning to plant groundnuts and pigeon peas together on one plot of land, farmer Abel has seen his soil's fertility improve and his yields double. He and his wife Mercy are incorporating the food they grow into new recipes. "Life has greatly changed for us," shares Abel.

PWS&D supports food security for smallholder farmers
